## 1053<sup>rd</sup> meeting of the Pacific Coast Numismatic Society

8:00PM Wednesday January 28, 2004

Fort Mason, Building C, Room 362  
San Francisco, California

## A brief history of Military Payment Certificates *Elliot Wehner*

Pacific Coast Numismatic Society  
Box 194271 San Francisco, CA 94119-4271  
Bulletin Editor: Michael Wehner

Please join us Wednesday, January 28, 2004 to hear *Elliot Wehner* speak about Military Payment Certificates.

#### **2004 PCNS Officers**

An election of new Society officers was held at the Annual Holiday Banquet and December 2003 meeting. Please thank your new officers for their dedicated time and expertise. They are:

*Sarah Nordin* President

*Rick Webster* Vice President

*Herb Miles* Secretary

*Steve Huston* Treasurer

*Larry Reppeteau* Board Member

*Phil Nordin* Board Member

*Mark W. Clark* Board Member

*Michael Wehner* Immediate Past President

On a personal note, I would like to express my gratitude to the members of the Society for their support as president over these past four years.

#### **1051<sup>st</sup> Meeting November 26, 2003 Philippine UFOs** *Phil Nordin*, (reviewed by *Herb Miles*)

Phil Nordin gave us a wonderful PowerPoint Presentation on one of his joys, "UFO's", better known as "Unusual Filipino Oddities" which are rare or unique banknotes mostly under the collector radar. These oddities consist of Central Bank of the Philippines notes of various collectible interests, including Essays, Specimens and Proofs, notes with incorrect signatures, errors, etc.

Phil noted that many of these are reasonable in cost and if you know what you are looking for, they can be found among the stock of dealers who have no idea they are collectible for a hidden reason. Some of the more interesting notes are the overprints, the mis-numbered or mis-lettered pieces, the mis-cut notes, and the crossover mules. As usual with Phil, this was a well-done presentation with a lot of humor and interest.

#### **November exhibits**

Michael Wehner exhibited a rare 1939 gilt silver "so-called dollar" from the Golden Gate International Exposition, a tiny piece made and sold by the San Francisco jeweler, Jules Charbneau.

Mark Wm Clark brought an 1899 Pan American Exposition Guide from the Buffalo, NY exhibition of 1901.

Larry Reppeteau exhibited an English newspaper noting the discovery of a New England sixpence, but Larry noted that since so

few pieces are known and there are numerous counterfeits, he surmised that further study of this piece is needed.

Jerry Schimmel brought a 1904-1912 era Native Sons of the Golden STATE badge or membership fob for American born Chinese, noting that the well-known organization Native Sons of the Golden West would never have admitted Chinese to membership at this time. This fob celebrated the Chinese-American Citizens Alliance.

Herb Miles brought a recently acquired Colonial 2 shillings note with a newspaper advertisement for a "fine Slave Woman" attached to the back.

Elliot Wehner fooled all of us by exhibiting some military training money obtained from one of his ANA summer seminar friends.

Gordon Donnell brought two items, a silver eBay token and an encased cent within a brass or copper outer ring advertising the Stork Club.

Stephen Huston exhibited a very interesting "original" ancient coin, but one that had been re-struck with high impact plastic dies to make a modern forgery, a piece very difficult to detect as most ancient dealers would not look for the telltale signs of its counterfeit status!!

#### **November Raffle**

An 1894 Midwinter Medal celebrating California as the "Land of Sunshine, Fruit and Flowers" H&K #245 won by Larry Reppeteau.

Three San Francisco items; a Playland at the Beach plastic tag taken by Michael Wehner, a Gernhardt-Strohmaier Company Stove tag won by Jerry Schimmel and a Map of San Francisco in about 1909, with lots of ads of the day won by Jerry Schimmel.

A Golden Gate Bridge key tag featuring attributes of the bridge, "world's largest single suspension bridge, 4200 foot single span, completed in 1936 at a cost of 35 million dollars, 1 1/6 miles long, 6 lanes wide, contains 693,000 cubic yards of concrete, 80,000 miles of cable wire, and over a 100,000 tons of steel won again by Gordon Donnell.

A Magnifying Glass taken home by Lori Reppeteau.

#### **E-bulletin available**

If you would prefer to receive the bulletin as a pdf file by email and save the Society the cost of postage, please notify the editor at [mfwehner@yahoo.com](mailto:mfwehner@yahoo.com)

Please note: Annual dues (\$20/year) are now past due.
