## 1294<sup>th</sup> Monthly Meeting

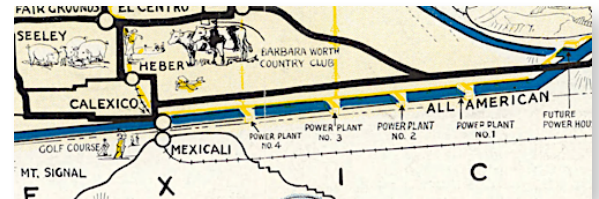

### Tokens of the ABW Clubs of Mexicali, BC and Imperial County

**John Duff**

**Wednesday, February 28, 2024, 7:30 PM PST  
Online**

The twin cities of Calexico (Imperial County, California) and Mexicali (Baja California, Mexico) straddle the US/Mexico border. So it's not surprising that when Prohibition began in the United States (1920), drinking establishments across the border experienced a burst of

popularity. One such club was the A.B. & W. Club (The Owl) in Mexicali. The club was a combination saloon, dining room, and, it is rumored, brothel and gambling casino.

Join us online on **Wednesday, February 28** when **John Duff** will discuss the tokens relating to this notorious club. Plan to exhibit your own favorite bar or brothel tokens, or one of your recent acquisitions. So that everyone may participate, please take pictures of your exhibits to facilitate viewing on Zoom.

### JANUARY MEETING RECAP

**David McCarthy** and **Don Kagin** have recently published the definitive guide to private and pioneer gold, *America's Golden Era: Private & Pioneer Gold Coins 1768—1862*. Don explained part of the fascination in pioneer gold coins: every one is different. He talked about his early family interests in pioneer gold. He did a PhD dissertation on the subject and published a book on it in 1981, which remains a standard reference today.

After forty years there were many new discoveries and many corrections needed. David joined Kagin's in 2003 and helped with diagnostic studies to make many of the discoveries. This all prompted them to jointly write a new book. It's not a second edition of the first book, but rather a new work based on chronological—not geographical—order.

It was shortened to have broader appeal, yet it includes population reports and many minting details. *(continues...)*

## PCNS MEETINGS

PCNS meetings take place at 7:30 pm Pacific Time on the fourth Wednesday of most months. A meeting code/invitation link will be emailed to all members separately the day before the meeting; non-members can request a link by emailing [webmaster@pcns.org](mailto:webmaster@pcns.org).

## JANUARY MEETING RECAP (CONT'D)

From this introduction Don and David alternated talking about the complete chronologic order of pioneer gold. They began with Ephraim Brasher and his countermarked gold coins, followed by the Georgia gold rush, Carolina gold, Mormon gold, and finally gold coins from California, Oregon, and Colorado.

The excellent presentation was thorough, with more details than we can fit here. We encourage you to view this talk on the [PCNS YouTube channel](#) for more complete details.

## JANUARY MEMBER EXHIBITS

**Michael** showed us photos of Bechtler's house in North Carolina, which is now a museum. He also shared a Miner's Bank \$10 pattern in copper.

## FEELING JUDGMENTAL?

PCNS will inaugurate a new competition in 2024. Following the general format of the annual Papers Competition, prizes will be awarded for the best presentation of the preceding calendar year. We will need two or three volunteers to serve as judges for the contest.

Judges will be expected to review the videos of all eleven presentations from the prior year, rating each one on several criteria to be finalized soon. Scores will be required to be submitted by April 30 so that prizes can be awarded at the annual BBQ in June.

If you are interested in being a judge for this new contest, please contact [webmaster@pcns.org](mailto:webmaster@pcns.org). Note that you cannot be a judge if you gave a presentation last year.
