## General Meeting

President Herb Miles called the general meeting to order at 8:10 pm.

Members included Bill Hyder, Stephen Huston, Jerry Schimmel, Dan Hipple, Ed Treuting, Bob Somers, Michael Wehner, Herb Miles, Federico Castillo, Ken Takahasi, and Jason Macario.

Bill Hyder delivered his talk, **1898 Semi-Centennial of California Gold Discovery**.

Bill discussed the exnumia, badges and so-called dollars, issued to commemorate the parade and Mining Fair held in San Francisco to celebrate the 50<sup>th</sup> anniversary of the discovery of gold in California.

Schwaab Stamp and Seal in Wisconsin produced most of the souvenir badges. Irvine & Co. made the official souvenir badge that was designed by Walter Brunt & Co. The parade ran down Market Street on January 24, 1898 led by mounted San Francisco police and the Army U.S. Signal Corps. The Society of California Pioneers came next followed by nearly five miles of floats and participants. Bill's collection includes 13 different badges with several variants and a pick and shovel pin produced for the Miner's Day at the Jubilee Mining Fair.

Why do we know so little about the 1898 celebrations? The Maine blew up in Havana Harbor the same week the fair opened. The semi-centennial celebration was quickly forgotten as the Nation's attention turned to war.
