BBQ Report

There was no business transacted at this gathering, held in lieu of a June membership meeting. Members and their guests brought the attendance to about 18, with the Hipple's hosting at their home in Tiburon.

Following the first serving (seconds for some), President Hyder briefly called for our attention for official awards.

1. Engraved medals were presented for first-time-speakers Jason Macario and Bob Somers.
2. Annual Papers Contest judging results were announced:

First Place

William Hyder, *The Santa Cruz Venetian Water Carnival 1895-1896*

Second Place

Michael Wehner, *The Great Seal of California Deconstructed: The early medals of the California Agricultural Society*

Third Place

Mark Benvenuto, *Four Coins, Three Continents, One Aim — Move Silver!*

Contributor

Herbert Miles, *Moore Dry Dock Company*

Recorder Huston gave 3 award medals (1 silver, 2 bronze) to the President to have engraved for distribution to the winners next month.

Food and fellowship continued for several hours before we started our treks homeward. The Hipple's again proved their hosting abilities, and nobody left hungry, though some took food with them as they left just to be sure!
