

## **Minutes of the PCNS Meeting of June 18 2022**

This meeting was our annual BBQ, an informal event which included a short business interruption during the festivities. There were about 20 people present, including these 13 members: Federico Castillo, Mark Wm. Clark, Jeffrey Fung, Stephen Huston, Bill Hyder, Charlie Ludvik, Jason Macario, Mike McDaniel, Scott Safe, Jeff Shevlin, Ed Treuting, Paul Turner, and Michael Wehner.

We had received regrets from Charlie Catlett, Dan Hipple, Bob Somers, and Doug Ward.

President Jason Macario called the short business session to order during a lull in the banquet, which had begun by 1pm.

The meeting approved the expenses for the Awards to be presented, paid by Treasurer Huston on the Society's debit card.

The remaining business was the announcement and presentation of awards:
